

That Different

Bassnectar

Different

I be on that different
Different, different, different

I be on that different
Different rhythm hittin in my system
Different when I listen
Different style with no restrictions
High up on that different
Different flex in the transition
Different set, flippin positions
Got me seein double vision

I be on that different rhythm
Hittin different in my system
I be on that different rhythm
Got me seeing double vision

I be on that different
Different flex in the transition
I be on that different
Different flex in the transition
Transition, transition, transition, transition
