

# Drop It Like It's Royal Mashup

Bastille

I've never seen a diamond in the flesh  
I cut my teeth on wedding rings in the movies  
And I'm not proud of my address, in the torn up town  
No post code envy

But every song's like gold teeth, Grey Goose, trippin' in the bathroom  
Bloodstains, ball gowns, trashin' the hotel room  
We don't care, we're driving Cadillacs in our dreams  
But everybody's like Crystal, Maybach, diamonds on your timepiece  
Jet planes, islands, tigers on a gold leash  
We don't care, we aren't caught up in your love affair

And we'll never be royals  
It don't run in our blood  
This kind of lux just ain't for us  
We crave a different kind of buzz  
Let me be your ruler, you can call me Queen B

Let me live that fantasy  
Snoop...  
Let me live this fantasy  
I wanna live this fantasy  
Snoop...

Want you to make me feel  
Like I'm the only girl in the world  
Like I'm the only one that you'll ever love  
Like I'm the only one who knows your heart

Cause  
Sometimes I feel like throwing my hands up in the air  
I know I can count on you  
Sometimes I feel like saying "Lord I just don't care"  
But you've got the love I need  
To see me through

I got the eye of the tiger  
Dancing through the fire  
Cause I am the champion, and you're gonna hear me roar  
Louder than a lion  
Cause I am a champion, and you're gonna hear me roar

It don't run in our blood  
This kind of lux just ain't for us  
We crave a different kind of buzz

Let me be your ruler, you can call me Queen B  
And baby I'll rule

Let me live this fantasy  
I wanna live this fantasy  
I wanna live this fantasy  
Snoop...  
Let me live, let me live, let me live, let me live  
I wanna live this fantasy  
Snoop...  
You know I wanna live this fantasy
