

# Final Song

Bastille

Please, won't you wait?  
Won't you stay?  
At least until the sun goes down  
When you're gone, I lose faith  
I lose everything I have found  
Heart strings, violins  
That's what I hear when you're by my side  
Yeah, that's what I hear when you're by my side.

But when you're gone the music goes  
I lose my rhythm, lose my soul  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on  
Don't let this be our final song

Don't let this be our final song  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on  
Don't let this be our final song

Baby, oh, when we were young  
There was nothing to make believe  
And the songs that we sang  
They were written for you and me  
Melodies on repeat  
That's what I hear when you're by my side  
Yeah, that's what I hear when you're by my side

But when you're gone the music goes  
I lose my rhythm, lose my soul  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on  
Don't let this be our final song

Don't let this be our final song  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on  
Don't let this be our final song

Don't let this be our final song

I met this girl on Monday  
Took her for a drink on Tuesday  
We were making love by Wednesday  
On Thursday & Friday & Saturday we chilled on Sunday  
I met this girl on Monday  
Took her for a drink on Tuesday  
Ohh, don't let this be our final song

Don't let this be our final song  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on  
Don't let this be our final song

Don't let this be our final song  
So hear me out before you say the night is over  
I want you to know we gotta, gotta carry on

Don't let this be our final song

Don't let this be our final song

So hear me out before you say the night is over

I want you to know we gotta, gotta carry on
