

# Flowers

Bastille

I'm the lesser of two evils  
Or am I, am I tricking myself nice?  
Oh, I'll bring you flowers  
Oh, yeah

I'll bring you flowers  
In the pouring rain  
Living without you  
Is driving me insane  
I'll bring you flowers  
I'll make your day  
The tears you cry  
I'll dry them all away

From the day  
Until the day we throw it all away  
Let's talk about it  
'Cause I cannot live without it:  
Your love  
It means so much to me  
Can't you see?  
Right here I'll always be

Oh, by the way  
Did I say, oh you're made to stay?  
Right here beside you  
I will never deny you  
My love, you are everything to me  
Can't you see?  
I will give to you unselfishly

Because I need you so  
And I will never, ever let you go

I'll bring you flowers  
In the pouring rain  
Living without you  
Is driving me insane  
I'll bring you flowers  
I'll make your day  
The tears you cry  
I'll dry them all away

Oh, by the way, did I say? (oh, baby)  
By the way, did I say, oh?  
And if one day you went away  
I'd feel so lonely inside  
I can't deny that I would break down and cry  
Yeah, and all those flowers they would wilt away  
It would cause me misery, pain

Because I need you so (I need you, babe)  
And I will never, ever let you go (I'll never let you go)

I'll bring you flowers  
(I'll bring you flowers)  
In the pouring rain (oh)

Living without you  
(Is driving me-)  
Is driving me insane  
(Is driving me insane)  
I'll bring you flowers  
(bring you flowers)  
I'll make your day  
(I'll make your day)  
The tears you cry  
(The tears you cry)  
I'll dry them all away

Oh, call me baby  
Oh, by the way, did I say? (oh)  
Oh, tear me down  
By the way, did I say? (oh)  
Oh, call me baby  
Oh, tear me down
