

# Goosebumps

Bastille

Goosebumps on my skin  
Hands on the back of my neck  
Where do you begin?  
Where does the fantasy end?

I lost it, you found it  
'07, all about it  
I'm dizzy, you're jaded  
We slowly self-destructed

You  
Make it hard to love you  
Is that why you  
Make it hard to love you

Goosebumps on my skin  
Hands on the back of my neck (Stand up)  
Where do you begin?  
And where does the fantasy end?  
It's drivin' me wi-i-ild  
To know that I can't have you  
Drivin' me wi-i-i-ild  
To know that I can't have you anymore

Anymore  
Anymore  
Anymo-o-o-o-ore

She said she  
Gon' stop like, realized it  
Just watch me shave my baggage off  
You're muted, computed  
Why can't you learn to lose me?

You  
Make it hard to love you  
You know that you  
Make it hard to love you

Goosebumps on my skin (Goosebumps on my skin)  
Hands on the back of my neck (Stand up)  
Where do you begin?  
And where does the fantasy end?  
It's drivin' me wi-i-ild  
To know that I can't have you (You can't have me)  
Drivin' me wi-i-i-ild  
To know that I can't have you anymore

Anymore  
Anymore  
Anymo-o-o-o-ore

No-no-no, no-no-no  
You can't have me anymore  
No-no-no, no-no-no  
You can't have me anymore
