Happier

Bastille

Lately, I've been, I've been thinking
I want you to be happier
I want you to be happier

When the morning comes
When we see what we've become
In the cold light of day, we're a flame in the wind
Not the fire that we've begun
Every argument, every word we can't take back
'Cause with all that has happened
I think that we both know the way that the story ends

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier
I want you to be happier

When the evening falls
And I'm left there with my thoughts
And the image of you being with someone else
Well, it's eating me up inside

But we ran our course, we pretended we're OK
Now if we jump together at least we can swing
Far away from the wreck we made

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier
I want you to be happier

So I'll go, I'll go
I will go, go, go
So I'll go, I'll go
I will go, go, go

Lately, I've been, I've been thinking
I want you to be happier
I want you to be happier
Even though I might not like this
I think that you'll be happier
I want you to be happier

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier
I want you to be happier

So I'll go, I'll go
I will go, go, go
