

# Nocturnal Creatures

Bastille

We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
We're noc-, we're noc-, we're nocturnal

You put your arms around me  
Partners in crime in the dead of night  
It's our weekend religion  
A different chord but the same refrain

We've only got ourselves to blame  
Again and again and again  
Again and again and again  
Let every night play out the same  
'Cause I wouldn't, I wouldn't change a thing

We're nocturnal creatures, we own the night  
And we don't need a reason if we want to lose our minds  
We're nocturnal creatures, drawn to the flame  
And the morning doesn't reach us  
Well, not until we want it to, want it to

We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
We're noc-, we're noc-, we're nocturnal

No moon, no stars above us  
The orange sky says the night's alive  
This time with you's elastic  
We stretch these hours as far as we can make them go

We've only got ourselves to blame  
Again and again and again  
Again and again and again  
Let every night play out the same  
'Cause I wouldn't, I wouldn't change a thing

We're nocturnal creatures, we own the night  
And we don't need a reason if we want to lose our minds  
We're nocturnal creatures, drawn to the flame  
And the morning doesn't reach us  
Well, not until we want it to, want it to

Oh-oh-oh-oh...

We're nocturnal creatures, we own the night  
And we don't need a reason if we want to lose our minds  
We're nocturnal creatures, drawn to the flame  
And the morning doesn't reach us  
Well, not until we want it to, want it to

Oh, oh  
We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
Oh, oh  
We're nocturnal, we're nocturnal

Oh, oh  
We're noc-, we're noc-, we're nocturnal  
We're nocturnal, we're nocturnal  
We're nocturnal, we're nocturnal  
Oh, oh  
We're nocturnal, we're nocturnal  
We're noc-, we're noc-, we're nocturnal

We received the freedom but we were completely unaware what to do with this  
freedom  
It felt like the hungry people received the foods and we just ate everything
