(How many drivers does a buggy have?
One.
So let's just say, I'm driving this buggy.
And if you fix your attitude, you can ride along with me.
Okay)

You shouted loud
But I can't hear a word you say
I'm talking loud, not saying much

I'm criticized
But all your bullets ricochet
You shoot me down, but I get up

I'm bulletproof, nothing to lose
Fire away, fire away
You shoot me down, but I won't fall
I am titanium

You cut me down
But it's you who'd have further to fall
Ghost town and haunted love
You raise your voice
Sticks and stones may break my bones
I'm talking loud not saying much

I'm bulletproof
Nothing to lose
Fire away, fire away
You shoot me down, but I won't fall
I'm titanium

(Now you will see me one more time, if you do good.
You will see me two more times, if you do bad)

You shouted loud
But I can't hear a word you say
I'm talking loud not saying much

I'm criticized
But all your bullets ricochet
You shoot me down, but I get up

I'm bulletproof nothing to lose
Fire away, fire away
You shoot me down, but I won't fall
I'm titanium

(Good night)
