

# Walk To Oblivion

**Bastille**

When you fall asleep with your head upon my shoulder  
When you're in my arms but you've gone somewhere deeper

Are you going to age with grace?  
Are you going to age without mistakes?  
Are you going to age with grace?  
Are you going to leave a path to trace?

When oblivion is calling out your name  
You always take it further than I ever can

"What is your major malfunction, numbnuts?"

(I don't wanna talk about it)

...

(I don't wanna talk about it)
