

# Wild World

Bastille

And now that I've lost everything to you  
You say you wanna start something new  
And it's breaking my heart you're leaving  
Baby, I'm grieving  
But if you wanna leave then take good care  
I hope you have a lot of nice things to wear  
But then a lot of nice things turn bad out there

Ooh, baby, baby, it's a wild world  
It's hard to get by, just upon a smile, girl  
Ooh, baby, baby, it's a wild world  
I'll always remember you, just like a child, girl

You know I've seen a lot of what the world can do  
And it's breaking my heart in two  
Because I never wanna see you sad, girl  
Don't be a bad girl  
But if you wanna leave then take good care  
I hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware  
Oh, oh, oh, oh, oh, oh, ooh, oh

Ooh baby, baby, it's a wild world  
It's hard to get by, just upon a smile, girl  
Ooh, baby, baby, it's a wild world  
I'll always remember you, just like a child, girl (child, girl)

I'll always remember you, just like a child, girl
