

## Peach Sky

## Bat for Lashes

Am I on your mind  
Cause I want you all the time

Oh, you and I know  
I know it ain't right  
So I, I want a longer night

Oh and I wait for love  
No matter where you go  
Am I coming on too strong?

Oh, you and I know  
I know it ain't right  
I, I want a longer night

(Am I on your mind)  
(Cause I want you all the time)  
(Am I on your mind)  
(Cause I want you all the time)

Oh, you and I know  
I know it ain't right  
So I, I want a longer night

You know that I  
Do it right, I won't chase you down  
You know that I  
Would do it right, I won't chase you down  
You know that I  
Can do it right, I won't chase you down  
Cause I'm your girl  
Cause I'm your girl  
I'm your girl
