

Safe Tonight

Bat for Lashes

I thought that I was broken
I thought that I had lost my mind
I thought that I was so in
So in love, you'd leave me behind
I did not always show out
It can be hard for me to cry
I thought that I was broken
Until you said, you're safe tonight

Lying in the dark night all the time
There's a demon in my heart that I'm not sure will survive
The shadows come around one too many times
Baby, I need you to tell me I'm safe tonight

I thought that I was broken
I thought that I had lost my mind
I thought that I was so in
So in love, you'd leave me behind
I did not always show out
It can be hard for me to cry
I thought that I was broken
Until you said, you're safe tonight

Lying in the dark but now you take my hand
We were once apart you say you understand
There's a cloud in my heart that made me scared to try
But I hold you close, now I'm same safe tonight

Safe tonight, we'll go away
Safe tonight, we'll always stay
Safe tonight, don't go away
Safe tonight, you'll always stay
Safe tonight, don't ya go away
Safe tonight, you'll always stay
Safe tonight, don't go away
Safe tonight, you'll always stay

You're safe tonight
You're safe tonight
You're safe tonight
You're safe tonight
