

## What's a Girl to Do?

Bat for Lashes

We walked arm in arm  
But I didn't feel his touch  
The desire I'd first tried to hide  
That tingling inside was gone

And when he asked me, do you still love me?  
I had to look away  
I didn't want to tell him  
That my heart grows colder with each day

When you've loved so long  
That your thrill is gone  
And your kisses at night  
Are replaced with tears

And when your dreams are on  
A train to train-wreck town  
Then I ask you now  
What's a girl to do?

He said he'd take me away  
That we'd work things out  
And I didn't want to tell him  
But it was then I had to say

Over the times we've shared  
It's all blackened out  
And my bat lightning heart  
Wants to fly away

When you've loved so long  
That the thrill is gone  
And your kisses at night  
Are replaced with tears

And when your dreams are on  
A train to train-wreck town  
Then I ask you now  
What's a girl to do?

What's a girl to do?  
What's a girl to do?  
What's a girl to do?
