

Gates Of Heaven

Batmobile

You turn my world upside down baby that's for sure
You've taken me to certain heights I've never been before
You make me laugh you make me cry
You make me say I wanna live you make me say I wanna die
You make me crazy you make me insane
But baby when you love me do it again
At the gates of heaven (waiting at the gate of heaven)
That's where I wanna be
At the gates of heaven, that's where I long for
That's where I want to be
It's just the way you look at me the way you move along
It's just the way you touch me babe this can't go wrong
You make me see it troubled or see it clear
It just depends on if you say what I want to hear
You make me laugh you make me cry
You make me say I wanne live you make me (say I) wanna die
You drive me crazy when you spread your love around
Don't you wanna be my queen won't you wear my crown
You make me say I won't or say I will
You make me want to love you make me want to kill
You make me love you make me cry
You make me say I wanne live you make me say I wanna die
