

Hard-On Rock

Batmobile

I'm like a horny cat looking for a bird (2x)
But the birds fly high, don't walk down on the earth

Hard-on rock
Mean and greasy horny hard-on rock
I'm like a buzzin' bee looking for a queen (2x)
But there's a billion bees and no honey's left for me

I'm like a hammerhead looking for a thrill (2x)
But there's no fish around there's only time to kill

I'm like a crowing cock looking for a hen (2x)
But she's on that egg ever since I don't know when
