

Rockin' Rooster

Batmobile

Walking through the hen house thinkin he's king
Making eyes to a chick shakin' his thing
When he gets hot he cries cock-a-doodle-doo
Hey hen I wanna make whoopie with you

Rockin' Rooster
When he grabs his chicks, performs one of his tricks
I'm the man and I wanna get my kicks

Whenever it's brooding time he's got big talk
He thinks of himself as the cock-of-the-walk
And then he gets over to the prettiest chick he says
He babe I wanna kiss your drumstick

Rockin' Rooster
When he grabs his chicks, performs one of his tricks
I'm the man and I wanna get my kicks

When he gets horny over a chickenleg
He tells this lady to get off of her egg
To get a little action and to do it right
I wanna make a little baby-ckick tonight

Rockin' Rooster
When he grabs his chicks, performs one of his tricks
I'm the man and I wanna get my kicks
