

## Slapping Suspenders

Batmobile

Put on your dress and jump in your shoes  
We're gonna dance little girl that ain't no news  
Well the mood ain't down at the 'Hep Cat Dance'  
Nothing's going down noting but my pants  
Got slapping suspenders jiving all around  
Hoppin' boppin' and jivin' till they go down  
The music ain't hot ain't down and the chicks ain't chill  
Them suspenders go slappin' ain't that a thrill  
When a girl asks me for a dance  
I warn her when I got in a trance  
Got slapping suspenders jiving all around  
Hoppin' boppin' and jivin' till they go down  
Put on your dress and jump in your shoes  
We're gonna dance little girl that ain't no news  
Well the mood ain't down at the 'Hep Cat Dance'  
Nothing's going down noting but my pants  
I got slapping suspenders jiving all around  
Hoppin' boppin' and jivin' till they go down
