

# Too Much Fun

Battalion of Saints

Why  
Can't  
I be happy  
When everything's going right  
So it seems  
My life falls apart so easily

Having too much fun  
For me to enjoy  
I'm trying to find some escape  
Finding love, finding hate  
They're the same  
But sooner or later it will have to change

Girls  
I've loved  
I failed  
So miserably  
Cause I  
Can't give  
Them affection that I don't have

[Chorus]

Some  
Day  
I'll find someone to keep me happy  
But  
I know  
I'll find something to drive her away.
