

Again

Battle Tapes

Under night, by my side
You whisper, I listen
A fire burns so small
It keeps repeating
I flew above it all
And got lost between the

Turning of the century
Burns up on re-entry
Nothing can stop us as we disappear like ghosts, oh whoa

There's no going back again, again, again, again
Again, again, again, again

There's no going back again, again, again, again
Again, again, again, again

There's no going back again, again, again, again
Again, again, again, again

The sky was set ablaze
The Earth was purring
Drift in and out of phase
Another twist, another

Turning of the century
Burns up on re-entry
Nothing can stop us as we disappear like ghosts, oh whoa
Breaks your heart wide open
Swallow every ocean
Nothing can stop us as we disappear like ghosts, oh whoa

There's no going back again, again, again, again
Again, again, again, again

There's no going back again, again, again, again
Again, again, again, again

There's no going back again, again, again, again
Again, again, again, again
