

## Feel The Same

Battle Tapes

Oh, did I lose the words  
Or did you take them away?  
I can hear you calling  
Yeah we burn just the same  
The same, the same, the same

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

In the seams we weaved  
Twisted between the sheets  
Are coursing through my veins  
Touch your lips to mine  
Discord and harmonize  
Release into the wild, oh whoa

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

Another ghost to haunt you  
That burning urge that wants to  
I'm digging deeper but  
It just don't feel the same

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

Another ghost to haunt you  
That burning urge that wants to  
I'm digging deeper but  
It just don't feel the same

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

Another ghost to haunt you  
That burning urge that wants to  
I'm digging deeper but  
It just don't feel the same

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

Another ghost to haunt you  
That burning urge that wants to  
I'm digging deeper but  
It just don't feel the same

I'm such a fool to love you  
Give me the pain I'm used to  
Sharpen the blade because  
It just don't feel the same

Another ghost to haunt you  
That burning urge that wants to  
I'm digging deeper but  
It just don't feel the same
