

Sleepwalker

Battle Tapes

Addiction is blistered
Deafened by whispers
That bear your name
Incompetent voices
Fails and rejoices
Just like clockwork
It's all the same

And I've seen patience
Wait on you for so long
But you keep nodding off

So, who?
Who's gonna come and
Save you from yourself again
As dark turns into blue?
Every different grain
Your broken hearted
Sandman feeds you
Every passing day seems
All the same to sleepwalker

Through passing seasons
Plotting is treason
So he thinks
Cells have gone sleepy
Lulled by the singing
Of how life is but a dream

And I've seen patience
Wait on you for so long
But you keep nodding off

So, who?
Who's gonna come and
Save you from yourself again
As dark turns into blue?
Every different grain
Your broken hearted
Sandman feeds you
Every passing day seems
All the same to sleepwalker

Ah, who?
Who's gonna come and
Save you from yourself again
As dark turns into blue?
Every different grain
Your broken hearted
Sandman feeds you
Every God damn day seems
All the same to sleepwalker
Every God damn day seems
All the same to sleepwalker
