

## Firekeeper

Battlelore

Nothing but silence  
As the distant song fulfills the Void  
The light, the flame, the heart  
In the center of That Is All  
The divine fire burns  
For the Power Of Creation  
To give the soul for the living  
A gift of life for all the being

The All High, The One Alone  
Firekeeper of the world  
The Holy Ones, the line of Gods  
From the Flame of all songs

Ilúvatar, All-father  
Gave to their vision Being  
And set it amid the Void  
The Secret Fire was sent to burn  
At the heart of the world  
And it was called Eä

The All High, The One Alone  
Firekeeper of the world  
The Holy Ones, the line of Gods  
From the Flame of all songs

The light won't fade away  
A beacon standing strong in a storm  
From the birth of it all  
Until the end of days

The light won't fade away  
A beacon standing strong in a storm  
From the birth of it all  
Until the end of days
