

# Immortal Sin

Battlerage

From the depths of darkness  
Wild nasty animals  
Everyone thirsty  
Drinking from the evil wine

In the middle of the bar  
I meet with the devil  
He looks at me and says:  
I'm the one who never dies

An immortal sin  
It's an immortal sin  
The frightening question is  
When will he really die

An immortal sin  
It's an immortal sin  
Everyone says: Hey, hey, hey!  
And I tell you: If you do not  
Kill him, he'll never die

Women and men  
They tough each other  
The ceremony  
OF the sexual dance begins

In the middle of the dance  
I look at the devil  
He looks at me and says:  
I'm the one who never dies

An immortal sin  
It's an immortal sin  
The frightening question is  
When will he really die

An immortal sin  
It's an immortal sin  
Everyone says: Hey, hey, hey!  
And I tell you: If you do not  
Kill him, he'll never die...
