

# Wage The Demons' War

Battlerage

WAGE THE DEMON WAR

The stars in the skies are aligned  
The key and the door are present  
We summon the powers maling  
From beyond comes the horror and pain  
The entrane is laid for my father  
The priest now awake from their sleep  
The demons that rest underwater  
Will prey upon human and beast

WAGE THE DEMON WAR

Bring forth the end

WAGE THE DEMON WAR

Our world we take

WAGE THE DEMON WAR

Demise of man

WAGE THE DEMON WAR

Your feeble race

WAGE THE DEMON WAR

With Fire we bring you the torment  
Again we are free to enslave  
Mankind now sees hist last moment  
As it perish in chaos and flames  
The entrance is laid for my father  
The priest now awake from their sleep  
The demons that rest underwater  
Will prey upon human and beast

WAGE THE DEMON WAR

Bring forth the end

WAGE THE DEMON WAR

Our world we take

WAGE THE DEMON WAR

Demise of man

WAGE THE DEMON WAR

Your feeble race

WAGE THE DEMON WAR
