

Stronghold

Battleroar

Last defense for the mighty
Last defense for the mighty and the brave
Last frontier for protection
Last frontier where our values are kept safe

Don't back down
Don't let them take the crown
For there is a way to make this stronghold strong
'Till the last day

Don't despair
This keep - Our home - Our lair
Gather all ye proud and bold
JOIN IN THIS STRONGHOLD

Souls that can't be sold
Fortress black

Stronghold of the sane and the holy
Of the ones that defy hell's church and state
All usurpers and madmen
Here today they will meet their rightful fate

Ethical revolt of souls that won't be sold
Union of the free
Against the tyranny

Soon they'll be engraved
By those they once enslaved
When demon armies march
I will lead the charge

Our blessed walls of stone
Fortress black
