Bauchklang

hey you this is a nice day
beside you
it's only me
standing in front of you
your soul
is so bright

i like the way
you look at me
it's so easy to feel ok
everyday beside you

you are a girl
beautiful
your eyes i look
into them

if you feel good
i'm in the need of (you)

to get another view
when we all stop trying
to get another view
