Stupih lil bit aye
Tryna swallow all my jits aye
Ferragamo on my hip aye
Stone Island sweat what I drip aye
Yo bih wanna have my kids aye
I ain't got time I got ice skates
Yo bit sip me like im ice tea
Sparkly, sweet yellow piss chain
You a pissed brain
Lookin like a shit stain
Bad bitch flame
Sittin on my membrane
Yellow brick lane
Gang wid all dem big thangs
Got a big bang
Whippin all deez big chainz

Eto na, sige lang
Bawat hakbang ay kalkulado at bilang
Na para bang kinabisado ang daan
Bat di na lang matuto sa nakaraan
Ng adi na maulit ang karahasan
Paikot ikot lang naman ang lakaran
Adi na nakakalibang kinginangyan
Fulangag mo ang tapang mo sa dadaan
Sige, sige, sige

Zoom, zoom, zoom, zoom
You know we out here
Zoom, zoom, boom, boom
You know we bout it
Zoom, zoom, zoom, zoom
We organized. We on the grind, we on the rise

Zoom, zoom, zoom, zoom
You know we out here
Zoom, zoom, boom, boom
You know we bout it
Zoom, zoom, zoom, zoom
We organized. We on the grind, we on the rise

Sige sige sige
Sige sige lang, pasa lang

Binigay lahat ng inaasam
Matagal ko namamasdan
Wag asahan ang mga ibang timang
Nag-cocopyahan na nagkakalat
Nag-yayabang na nagtutulak
Galawang alat, walang hinatnat
Kami nag bubuklat ng mga utak
Kala nila sobrang simple
Timplahan mo nga para matindi
Kitang kita mga inggit sa gilid
Nanggigitgit ang mga ngipin
Shrooms shrooms, tumutulong sakin para silipin
Gumising sa katotohan
Respetuhin ang sarili
Wag pa alipin

Glue inside the crown
Now, I want gold teeth
Po peep, go sleep
Count sheep on your two feet
I'm flowing like I'm Bruce Lee
I got two sleeves
I'm dressing like a boutique
My third eye with a cool reach
I dance on two feet
Where afterparty? (aftertheparty)
The audience with no speech
I don't do this for free
I write digital loose leaf
I'm clean like some new sheets
Somebody give me new beat
My 8 bar complete

Heto nanaman mga taga-Bawal Clan
Palakas ng palakas ang alon dapat sabayan
Mga barahang binalasa kailangan mong matahan
Di pumapatol sa mga walang pinagkatandaan
Sabaysabay sa paghataw ugh
Sindiha ang makina tas takbo
Babala sa mga tatangkang bumangga
Napapaghalata dadapa mamaya
Puro lang salita walang mapapala
Kulang pa sa gawa
Pagkatas ng galawan
Liyaban ang halaman
