

What The Deal Is?

Bawal Clan

Ya'll ready know what da deal is
I go thru jungles I'm fearless
This shit ain't mumble we clear here
Fuckin around I don't play fair
Shit ain't a game you get slayed here
Allah be fanning da flames here
Keeping me humble and sane here
We fighting all day just to stay here

Me and that Bacardi gone be trouble
Put me in the game I never fumble
Sprintin' in my lane I never stumble
Ain't about the fame it's bout the bundle

Get a pound and break it down
I wear my crown producing sounds
My father got me walking proud
Only royalty allowed

Slightly possessive of my energy, very connected
Highly contested, the kid in me's aware of perspective
Very protected, show respect get respected
Be kinda reckless just clean up all your messes

I stomach correction, I'm blunted I'm flexin'
Ain't scared of nothing, I use my mind as a weapon
My grind got you threatened
My sight is on heaven
You comin' in second
My wife an eleven

Nong sasabihin ko?
Nong sasabihin mo?
Daming nalilito
Anong pinagsasabi nito?
Laging naaaning
Lasing, tulog, gising
Ngarag tas na bangag
Anong ibig nitong sabihin?

Hayaang lumayo sa tukso dahil ang lapit niya kasi
Daming pumapasok sa isipan kapag wala kang katabi
Handa ka nga bang humarap araw araw, gabi gabi?
Nahanap nang katotohanan, ayaw naman tong tanggapin

Shit that we go through everyday working as individuals
Hindi naman yan totoo, nasaan ang embidensya mo?
Kailangan mo man sumabay o di kaya humiwalay
Pakinggan mo lang ang gabay... that'll make you realize

Uhuh uhuh
Snakes in the grass get they head chopped
Uhuh uhuh
Rumble in the jungle get your head knocked
Uhuh uhuh
Riding out this beat with a head bop
Uhuh uhuh

Wiping out the floors with a red mop
Uhuh uhuh

Madugo ang labanan dapat alam mo na yan
Handa ang sandatang hinasa ng karanasan
Sinuyod ang gubat na hindi alam ang daan, kahit mapasaan
San man lumapag ang bagsak ay hindi magaan pakiramdaman
Awh shit!

Ya'll ready know what da deal is
I go thru jungles I'm fearless
This shit ain't mumble we clear here
Fuckin around I don't play fair
Shit ain't a game you get slayed here
Allah be fanning da flames here
Keeping me humble and sane here
We fighting all day just to stay here

Losing my mind I'm the talk of the nation
Walk in the booth, violating probation
Lucifer talking, a dead man be walking
I'm breaking the boundary with hell, I'm amazing!
Pound after pound every bud I be blazing
Papi got wealth, make my life your amazement
Stuck in this shell, got a ship but no sail
See how twisted I get, you doc! I'm the patient!
Pass me the bottle, and I'm drowning like woah
Split me 2 blunts and I'm ready go
I kicked off the pills but still down with the thrills
Public service announcement, I thought you should know
I don't play fair if they got pistols involved
Call on Jamal tell him even the odds
The shooters stay ready, on block we stay heavy
Pop shots like confetti, I move like a god!

I just dirtied up my stainless
Put thirty up in da chamber (Brrt!)
I don't know nothin' I be hangin'
Devils round me not no strangers (Not no strangers)
Don't get em wild they get brainless
Poppin' off just like a plane is (Poppin', poppin')
Ridin' slow and then we blast off (Skrtrt, skrtrt, skrtrt)
Gimme cash on every playlist
Ain't doin' nothin' why you sayin' shit (Nah)
Am not a nigga you should play with (Nah)
Actin' funny getchu sprayed out (Pow pow pow pow)
Leave yo brains out on da pavement
Gettin' money be da language
Stayin' sharp drippy bandwidth
Lately I been in my bag now
Throwin' stacks out we ain't playin' here (Stacks!)

Sino nanaman ba nandirito
Yung nagpaikot parang ipo-ipo
Sa pinang galingan di nakakalimot
Nagpapatawad di nakakalimot
Rekta na wag ka na magpakipot
Di na tayo bata di to batibot
Sa mga mang-gagamit wag ka papikot
Dami nila na nakapalibot
Dami nila na napapalibot
Dami jan sa pasikot sikot
Malaki ang pera, malaki ang mesa

Di mag-didikit ating mga siko
Sino gumaya, ano? Kanino?
Sino gumaya, ano? Kanino?
Isa lamang ako pero bat ganito
Parang biglang dumami aking anino

Ya'll ready know what da deal is
I go thru jungles I'm fearless
This shit ain't mumble we clear here
Fuckin around I don't play fair
Shit ain't a game you get slayed here
Allah be fanning da flames here
Keeping me humble and sane here
