All da shit dat you say, I'm just tryna listen
All da talk dat you throw, yeah that shits a given

You gon get hit, talkin' that shit
Things come round like karma
Galit ka lang sakin dahil yung malapit sayo ay aking kinama
Di ko na kasalanan, lahat ng iyong pinagdaan
Hiling mo puro parusa pero kelan man di ko mararanasan

Been too busy to hang with people who ain't fuck with me
Act too hard but when you see me, why you duckin' g?
You feeling the tension, ain't worth the mention
Go head call my accountant
Room service and a masseuse with my boo up in the mountains

Shawty lemme feel you, wanna feel you on me
Shawty lemme feel you, wanna feel you on me

It's a hotbox in the booth
Bawal Clan with that new
Same old, still the crew thick
Same old me still way too sick
This ain't gang shit, it's that clan shit
When I pass it, better catch it
It's a dime yeah it's like magic
Check the tracklist it's a classic

It's that clutch game on the line
Ain't wasting no time
Pump fake then I cross tween
Ya ain't seen it coming from behind
Jab step then I slide
Whole team taking flight
Taking over the game now
Make it rain now then rewind

Baka pwedeng makalaya, hugutin ang panang tumama
Di ko narin to ramdam parang buhay ay wala na
Kahit meron paraan di naman din gumagana
Lagi nalang alangan kapag ikaw na kasama

Yoko narin tumaya di naman din tumatama
Hanap ko lagi saya kaso sayo nawala na
Kala mo yata laro na parang langit at lupa
Bilis tuloy tumanda puro sakit ang nakuha

Shawty lemme feel you, wanna feel you on me
Shawty lemme feel you, wanna feel you on me
Shawty lemme feel you, wanna feel you on me
Shawty lemme feel you, wanna feel you on me
Yeaaahhh!

Shawty lemme feel you, wanna feel you on me

Shawty lemme feel you, wanna feel you one me
Shawty lemme feel you, wanna feel you one me
