Baxter Dury

As hopeless
As I am
Got a lot of other stupid plans
Throw away your number
Live as though I'm a free man

But outside
They don't get you
They don't understand
Laughing at you
Outside
They don't get you
They don't understand
Laughing at you

Teardrops keep falling
Another month and all gets too much

As broken
As I am
You and I won't never be the same

But outside
They don't get you
They don't understand
Laughing at you
Outside
They don't get you
They don't understand
Laughing at you

Teardrops keep falling
Another month and all gets too much
