

Mockingjay

Baxter Dury

I'm the mockingjay
Fighter of the opposite
Living on a holiday, shopping spree
We can pretend to
Be ordinary
Lightweight creature
Of nothing of significance
I share my dreams
With all these idiots
I kiss you goodbye
Pray tell I'm the answer
To all things good
You're everything
I need to survive
The revolution
The revolution

I'm the mockingjay
Fighter of the opposite
I'm the mockingjay
I'm the mockingjay
I'm the mockingjay
Fighter of the opposite
I'm the mockingjay
I'm the mockingjay

I apolo-jays to
The authorities for
The love I gave for
The Molotovs, the soft touch
The snowflakes, the improvised
The prince of daylight
We are all the same
We are all the same
Beneath the duvets
Ashamed of what we said
Before this night ends
Before your love begins
When I burn this bridge
I'll think of your face
And I'll bend the knee

I'm the mockingjay
Fighter of the opposite
I'm the mockingjay
I'm the mockingjay
I'm the mockingjay
Fighter of the opposite
I'm the mockingjay
I'm the mockingjay

Rest your heart
And take
All the love I gave
Gave

I'm the mockingjay

I'm the mockingjay
I'm the mockingjay...
I'm the mockingjay
I'm the mockingjay
I'm the mockingjay...
