

## Other Men's Girls

Baxter Dury

Other men's girls think  
I'm in love think I'm in trouble  
In a swimming pool where other fools  
Dare to drown now  
And I don't wear make up  
And I don't wear make up

I find another canvas to paint my dreams across  
I look elsewhere  
My spine tingles  
As I know we're a well-rehearsed disaster

Other men's girls think  
I'm in love think I'm in trouble  
In a swimming pool where other fools  
Dare to drown now  
And I don't wear make up  
And I don't wear make up

Two joy kittens cast in cheap cloth, that's who we are  
Cold crippling lips with your emerald eyes  
Sitting in the dirty linen and bread crumbs

Other men's girls think  
I'm in love think I'm in trouble  
In a swimming pool where other fools  
Dare to drown now  
And I don't wear make up  
And I don't wear make up

Other men's girls think  
I'm in love think I'm in trouble  
In a swimming pool where other fools  
Dare to drown now

And I don't wear make up  
And I don't wear make up
