

Saliva Hog

Baxter Dury

This is just a service pen
Leave a note and shout Scoursbury (Who the fuck are the polo lizards?)
And a high level bronzer
Go and help her, it can't be this (Who the fuck are the polo lizards?)
And all the pain, ah
It's a- (Who the fuck are the polo lizards?)
It's a Cartier party, hashtag me, me
And you dribble on the people
(La, la, la, la) Slapping on the people
(Saliva hog) But you're beautiful
(La, la, la, la) Oh yes and there's angles
(Saliva hog) Everything except the fact that you've gotta
(La, la, la, la) Taking cast on the cast in the back
(Saliva hog) Pretend that you love me
(La, la, la, la) Pretend that you love me

Who the fuck are you, my friend?
Who the fuck are you, my friend?
Who the fuck are you, my friend?
Who the fuck are you, my friend?

Who the fuck are you, my friend?
Who the fuck are you, my friend?
Who the fuck are you, my friend?
Who the fuck are you, my friend?
