La la la la la
La la la la la

Samurai
Samurai
You crept along that ledge
Shimmy down that pipe
When I opened the door for you
You swung your sword
That baby-face
I still texted you

Samurai
Samurai
You slaughtered all those romantic chances
Caused me to review myself
That baby-face
I can't handle this

La la la

La la la
La la la
La la la la la
La la la la la

Samurai
Samurai
Villages of [?]
But you've left unscathed
Too late
I'm baby-face
No one ignores me
