

Schadenfreude

Schadenfreude

I was in a hotel in Stockholm
Waiting for you to call
But you were off with that donut
Laughing behind my back
Then I read a bitter review
About a band you're in
To be honest
I got schadenfreude

Déjà vu on the hotel foyer
Ignored everything you said
Back flips on MDMA

An aisle seat on a cheap airline
Trying to get to Lithuania
I think of you to calm my nerves
A busy stage will solve my pain
And you'll be another ghost
That never knew how much I thought about
Thought about
But I still got schadenfreude

Déjà vu on the hotel foyer
Ignored everything you said
Back flips on MDMA
Ignored everything you said

Schadenfreude
Schadenfreude
Schadenfreude
Schadenfreude

Schadenfreude
Schadenfreude
Schadenfreude
Schadenfreude

Schadenfreude
Schadenfreude

Schadenfreude
(I got schadenfreude)
Schadenfreude
Schadenfreude
Schadenfreude
(I got schadenfreude)
Schadenfreude
