

Young Gods

Baxter Dury

Smile
Try and live
Just be happy
Forget about me
Smile
Try and live
Just be happy
Forget about me
This is a lesson for those who were wrong
This is a lesson for those who were wrong
All we tried to be are young gods
All we tried to be are young gods
Maybe made my bed to sleep in it

Forget about me
This is a lesson for those who were wrong
This is a lesson for those who were wrong
