

Be My Baby

Bay City Rollers

The night we met I knew
I needed you so
And if I had just one chance
I'd never let you go
So won't you say you love me
I'll make you so proud of me
I'll make them turn their heads
Every place we go
(Chorus)
So won't you
Be my, be my baby
(Be my little baby)
My one and only baby
(Be my baby love)
Be my, be my baby
(Be my baby now)
My one and only baby
Woe woe woe
I'll make you happy baby
Just you wait and see
For every little kiss that you give me
I will give you three
Oh since the day I saw you
You know I'll be waiting for you
You know I'll wait for you
Till eternity
(Chorus)
