

# Breakout

Bay City Rollers

(Breakout from you)  
(Make love to you)

After midnight everyone likes the light in the city  
You do what you like all the people  
Move about the floor in the shadow  
Trying hard to score  
Invitations  
One has to meet at the party you came to seek  
There is just one thing I'd like know  
Do you want my love 'cause I really have to know  
How can I ever let you go  
How can I ever let you know  
How can I ever let you go  
How can I ever let you know

Your too hot for me  
(Breakout from you)  
I don't want to breakout  
(Make love to you)  
I just want to make love  
(Breakout from you)  
I don't want to breakout  
(Make love to you)

After midnight tonight everyone likes the light of the city  
I don't want to go 'cause I'm hurting for you so  
How can I ever let you go  
How can I ever let you know  
How can I ever let you go  
How can I ever let you know

Your too hot for me  
(Breakout from you)  
I don't want to breakout  
(Make love to you)  
I just want to make love  
(Breakout from you)  
I don't want to breakout  
(Make love to you)

Breakout  
I just wanna make love  
I don't wanna breakout  
(Breakout from you)  
I just wanna make love  
(Make love to you)  
I don't wanna breakout  
(Breakout from you)  
I just wanna make love  
(Make love to you)  
I don't wanna breakout  
(Breakout from you)  
I just wanna make love  
(Make love to you)  
I don't wanna breakout  
(Breakout from you)

I just wanna make love  
(Make love to you)
