Don't stop the music I don't wanna lose her I just want to stay here tonight Make ev'rything right, So don't stop the music, Don't go now, 'Cause if I lose her I will surely break down. So don't stop the music, I don't ever wanna say goodbye How can I tell her That I really love her And though we just met here tonight It all feels so right, Oh please can't you see That I need her, Don't stop the music I don't wanna lose her, So don't stop the music, I don't ever wanna say goodbye. I'd never thought That I could hold her Though many times I tried I never thought I would see that look in her eyes Don't stop the music ...
