

Give A Little Love

Bay City Rollers

It's a teenage dream to be seventeen
And to find you're all wrapped up in love
And I found that you made a dream come true
Now I do believe in what I say
You've got to give a little love take a little love
Be prepared to forsake a little love
And when the sun comes shining through
We'll know what to do
Give a little love take a little love
Be prepared to forsake a little love
And when the sun comes shining through
We'll know, what to do.
When I walk with you there is just we two
And the world goes by but I just don't care
(Spoken:)
And I know one day that I'll find the way
To be safe and sound within your heart
So until I do I'm gonna give a little love take a little love
Be prepared to forsake a little love
And when the sun comes shining through
We'll know what to do
Give a little love take a little love
Be prepared to forsake a little love
And when the sun comes shining through
We'll know, what to do.
