

# Love Power

Bay City Rollers

When I walk down the street  
Don't have to care about who I meet  
Don't have to run, don't have to hide  
'Cause I've got somethin' burning deep inside  
Cause I've got love

## CHORUS

Love power  
And it's the greatest power of them all  
Hey I've got love, love power  
And I've this feeling I can conquer all

Sometimes I'm up, sometimes down  
But my feet are always on the ground  
And when I laugh, or when I cry  
People I believe the reason why is I've got

Love power, love power, love power

Hey I've got

Love power, love power, love power, love power

Sometimes I'm up, sometimes down  
but my feet are always on the ground  
And when I laugh, or when I cry  
People I believe the reason why is I've got
