Rock 'N Roller

Bay City Rollers

I get my kicks from rock and roll
A 12 bar boogie gonna bless my soul
Wanna dance to that rhythm
Get down to that rockin' beat
I don't wanna play no heavy jazz
With high class music
And its stuffed shirt nights
'Cause I wanna be a rock 'n' roll star
And make my money out of playin' guitar

'Cause I'm a rock and roller
I'm gonna rock it, gonna roll all over
I'm gonna shake it to the midnight stroller
And rock the night away
'Cause I'm a rock and roller
I'm gonna rock it, gonna roll all over
I'm gonna shake it to the midnight stroller
And rock the night away

I don't wanna play no Memphis soul
I don't want funk - just rock and roll
Gonna dance to the rhythm get down to that rockin' beat
Make my name in the headline news
There I'm busted singin' the blues
I must find myself a rock 'n' roll band
I'll play my music just as fast as I can

'Cause I'm a rock and roller
I'm gonna rock it, gonna roll all over
I'm gonna shake it to the midnight stroller
And rock the night away

Okay people
Get your rockin' shoes on
Stroll us with the
Rock and roller

Rock and roller
Yes, I'm a rock and roller
Yes, I'm a rock and roller

'Cause I'm a rock and roller
I'm gonna rock it, gonna roll all over
I'm gonna shake it to the midnight stroller
And rock the night away
'Cause I'm a rock and roller
I'm gonna rock it, gonna roll all over
I'm gonna shake it to the midnight stroller
And rock the night away
...
