## Bay Faction

So I may be drunk  
And I may have a cold  
But I know  
And you may be still stuck in the burbs  
But you should know  
If you want to play well I'm down to play  
But it's by my rules and dare I say that  
I only know one game  
So please don't act like you know this  
Just cause you want what I have  
Cause I've been fine up until you called now I can't tell my feet from my back  
And I can't get mad at what you've been doing I've been doing some myself  
And it's not like I stay awake at night wishing I was with someone else but come on  
I put my heart in you  
I only know one game!  
I only know one game!
