

Casting Couch

Bay Faction

I love the way your jeans taper
Becoming one with your shoes
But I don't know if I can stick around for you
I love the way you look back at me
Right after we're through
Sure I think you're cute but I can't stick around for you

Cause I'm falling over you
I don't know what to do
So for now
You're on the... you're on the casting couch

Jasper said he saw you
You were at the bar with all my friends at least tell me
If you don't want to hang so I'm not waiting up all night
So I'm not waiting up all night

Cause I'm falling over you
Don't know what to do
So for now
You're on the casting... you're on the casting couch

Why do I always
Why do I always

Cause I'm falling over you
I don't know what to do
So for now
You're on the casting... you're on the casting couch
