

## Faux Snow Globe

Bay Faction

Think I won't  
Think of the cold  
Trapped inside  
Silver snow globe

Shake it slow  
Shake 'til we're home  
Shake it slow  
Shake it slow

Inhale deep  
Crack in my lungs  
Splintering cold  
Stop when I'm done

Shake it slow  
Shake 'til we're home  
Shake it slow  
Shake it slow

Shake it slow  
Home  
T'I'll I'm home  
Home  
Home
