

Sasquatch .22

Bay Faction

I started catching feelings for the girl
That I'm currently having sex with so
It's safe to say we don't talk anymore
Unless of course were having sex then I'm
Watching her from the back seat put on makeup
And get her shirt on right
I'm pretty sure this isn't what my dad had in mind the year before
When he made me go to college in the south shore
Doesn't care that I go to college

It's Tuesday
And I'm wasted like Friday night
When I'll be wasted it's all a cycle a vicious cycle and I
I'm just petrified

So I called the girl
That I'm currently having sex with and I said I loved her
But it was over facebook
She came over that night
We started having sex and it felt fine
Up until she fucking left and I realized
That I tell a damn good lie

It's Tuesday
And I'm wasted like Friday night
When I'll be wasted it's all a cycle a vicious cycle and I
I'm just petrified

I'm petrified when I'm 30
I'll buy a .22
Waste myself in the back of her Camry
Put it to the back of my mouth and scream out your name
Pull the trigger and realize that the seats aren't easy to clean
'Cause it'll be a Tuesday

And I'm wasted like Friday night
When I'll be wasted it's all a cycle a vicious cycle and I
I'm just petrified
