

Beach Baby

Bay Ledges

Don't leave me on the other side
Of a telephone ringing
If you wanted to, you could tie
My heart up like a ribbon

Don't let me go
Down the Tijuana River
I'd miss you so
I'm not a very good swimmer

Yeah, I can't try to smile and pretend
Like somebody on the side
See you driving by with the windows down
Playing "Good Vibrations"

Don't let me go
Down the Tijuana River
I'd miss you so
I'm not a very good swimmer
