

## Feelz

Bay Ledges

Yeah, try to escape myself  
Something easier to feel  
Oh, and if I get this whole thing wrong  
Maybe the morning will be kind and say  
None of this is for real  
And you know, you know, you know, you know  
You don't have to worry  
'Cause this love, this love, this love, this love  
Is too much weight to carry (yeah)

And I could just turn it off  
But you can't turn off a feeling (feeling, yeah)  
Turn it off  
But you can't turn off a feeling  
I lay awake at night  
Still wish that you were mine  
And I know too many years have gone by  
I try to turn it off  
But you can't turn off a feeling (feeling, yeah)

Yeah, if I never find my way  
Would you tell me where to go  
Oh, and if I get this whole thing wrong  
Your blue skies always find a way  
To pull me out of the hole  
And you know, you know, you know, you know  
You don't have to worry (yeah, yeah)  
'Cause this love, this love, this love, this love  
Is too much weight to carry (too much, too much, yeah)

And I could just turn it off  
But you can't turn off a feeling (but you can't turn off a feeling, y  
eah)  
Turn it off  
But you can't turn off a feeling (yeah)  
Turn it off  
But you can't turn off a feeling  
I lay awake at night  
Still wish that you were mine  
And I know too many years have gone by  
I try to turn it off  
But you can't turn off a feeling (but you can't turn off a feeling, y  
eah)

Yeah, if I never find my way  
(But you can't turn off a feeling)  
Would you tell me where to go  
But you can't turn off a feeling (yeah)
