Bay Ledges

Da da  
Da da da da da

Cut me loose cut me free  
Don't tie me down please  
That's all I can take of this scene  
Just wait it'll take me a little bit longer  
To get this paint to glean  
Something new  
That the kids can dance to  
Something light  
That your mama wanna sing you  
I'm looking for the right tune

Locked up in the back room  
Come get me  
Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)  
Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)

All the blood sweat and tears  
Now look at these years  
I don't wanna seem like it's so hard  
When you get to do what you wanna do  
Got a brand new roof  
Take a look  
Take a minute on your good side  
Show em all  
That it's nothing but a smooth ride  
I'm looking for the right moves

Locked up in the back room  
Come get me  
Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)

Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)

Hours pass by

Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)

Oh ah ahmm  
Oh ah ahmm  
Oh ah ahmm (hours pass by)
