

I Wonder

Bay Ledges

Wake up now
I don't wanna feel it
Wish I knew how
I could forget for a while
You look like
A face under the ocean
And I just might
Keep on swimmin' for miles

Ooh, ooh
It's like nothin' ever changed
(It's like nothin' ever changed)
Ooh, ooh
But I know we ain't the same

I wonder what you're thinkin'
I wonder if you're with somebody new
I wonder how you're doin'
It's a feelin' that I can't get used to

I'm outside
Lookin' for a reason
Under blue skies
My head's stuck in the clouds
I wanna know
If you still feel it
I wanna know
If I'm just another face in the crowd

Ooh, ooh
It's like nothin' ever changed
(It's like nothin' ever changed)
Ooh, ooh
But I know we ain't the same

I wonder what you're thinkin'
I wonder if you're with somebody new
I wonder how you're doin'
It's a feelin' that I can't get used to

And I've been sinkin'
Tryna get my head on straight and

I wonder what you're doin'
It's a feelin' that I can't get used to

Don't wait (It's a feelin' that I can't get used to)
Don't wait (It's a feelin' that I can't get used to)

I wonder what you're thinkin'
I wonder if you're with somebody new
I wonder how you're doin'
It's a feelin' that I can't get used to

And I've been sinkin' (Don't wait)
Tryna get my head on straight and (Don't wait)

I wonder what you're doin' (It's a feelin that I can't get)
It's a feelin' that I can't get used to

Don't wait, don't wait, don't wait
Don't wait (It's a feelin' that I can't get)
Don't wait
